From the Palace Undertaking parlors to the church, the body was escorted by both the Copper Queen and the Calumet & Arizona bands. The Copper Queen band leading the procession.

In line following the bands were a large number of miners and other friends of the deceased. This morning the body will leave for the old home of the deceased in Virginia.

Kingston Much Better.

Word received yesterday from Los Angeles stated that W. H. Kingston had so much improved from his recent serious illness with rheumatism that he was able to walk about a little each day.

THE PRICE SHE PAYS

There is hardly an American woman nowadays who can keep pace with the modern without paying the penalty of ill-health. It may be that dreadful headache, dragging pains, head aches, nervousness or the tortures of a displacement. It is the price she pays. To women in this condition Lydia E. Pinkham's Vegetable Compound comes as a boon and a blessing. A simple remedy made from roots and herbs which brings glorious health to suffering women.

CARD OF THANKS

We desire to extend our deep appreciation to Mr. Mitchell, Captain Hodgeson, Mr. and Mrs. George Poole, also to the C. & A. band and Copper Queen band, the Fraternal Brotherhood Lodge and all friends.

Mrs. Albert B. Fall.

Mrs. Albert B. Fall, wife of the U. S. senator from New Mexico, has seen many of the sidelights of the Mexican troubles, her winter home being in El Paso, Texas, just across the river from Juarez, Mexico.

"We saw much that was pathetic," Mrs. Fall said. "I have many friends who suffered acutely as a result of the revolution. Some of the most pathetic stories I heard were told of rich families who had remained absolutely neutral during the entire trouble."

LAST RITES ARE SAID

WELL KNOWN MINER

The funeral of George Love, the well known miner, who was electrocuted several weeks ago in the Car shaft, was held last evening at 7 o'clock, from the Episcopal church. The body of the deceased was taken from the Palace parlors to the church where Rev. Brewster officiated.

Both the Copper Queen band and the Calumet and Arizona band were in attendance at the funeral, as were also a large number of friends of the deceased.

The pall bearers were Cash Benton, Bert Fenner, John Jeffery, William Sharpe, Julius Wickman and Robert Lyons. Immediately after the service had been completed at the church the body was taken to the Southwestern depot.

This morning Mrs. Love and the two children will start on the long journey to Grottoes, Virginia, where the body will be interred.

NEW KINDERGARTENS

DISTRICT GETS FOUR

That there will be four kindergartens established in connection with the Warren District public school system with the opening of the schools this fall is the official announcement of Superintendent Philbrook, who also makes public at this time the locations of the kindergartens and the names of the teachers in charge of them.

The Kindergarten at Lincoln School will be presided over by Miss Lillian Wagner, a graduate of the Kindergarten Department of the California State Normal School at Los Angeles. At Central School the little tots will be taken care of, as last year, by Mrs. Mabel Moore, who needs no introduction to the residents of Warren District.

Miss Carmelita Michaels, a graduate of the Normal School at Los Angeles, and also well known to the Bisbee public, will preside over the kindergarten at the Lowell School, while the kindergarten at the Warren School will be in charge of Miss Fannie Trevarthen of Evelett, Minn., a graduate of the Minnesota Normal School at Winona.

Supt. Philbrook gives assurance that all these kindergartens are thoroughly equipped for their work and that they will give every satisfaction to the patrons of the public schools of the district.

All children between the ages of four and six are eligible to attend the kindergartens. At the Lincoln, Central and Lowell schools there will be two sessions a day for the tiny tots, but at Warren the kindergarten work will be carried on only in the forenoon.

PERILS OF PAULINE
BOOKED FOR TUESDAY

Judging from advance notices received, the second episode of that amazing \$25,000.00 prize story, "The Perils of Pauline" is even more thrilling and sensational than the one shown at the Royal two weeks ago.

It is without doubt the greatest Motion picture serial. The very acme of thrillingly enacted pictures produced by the famous Pathe Company acknowledged the foremost picture producers in the world.

The hundreds who witnessed the first episode at the Royal are anxiously awaiting the second of this wonderful series and it is certain the little Main Street House will be crowded to the doors Tuesday both afternoon and evening when the second part of this amazing story is thrown on the screen.
